

FCA Summer Camp 2.0 Spring 2026 Fundraiser

Hello participant,

Our group will be launching our online fundraiser on the **Schoolfundr Platform** on **04/23/26**.

Schoolfundr is a powerful online donation platform that gives **ALL money raised back to the program** (minus a small unavoidable credit card fee of 3%).

To meet our initial team goal, **EVERY** participant is **required** to submit **AT LEAST 20** email addresses of their biggest supporters (family & friends). **ALL EMAILS MUST BE LOADED NO LATER THAN 24 HOURS from receiving this note. It will take 10 minutes total.** Just load them in and SchoolFundr will do the asking for you. A very reasonable \$25-\$50 donation is common so don't be embarrassed for SchoolFundr to ask on your behalf. Make sure all emails are **QUALITY** ones; absolutely no businesses (info@X), current teachers, duplicate emails, self-emails, fake emails.

****Schoolfundr takes privacy seriously- your contacts are strictly PRIVATE and will NEVER be redistributed, sold, or used for advertising purposes.**

Please post fundraiser link on all of social media to help spread the campaign far & wide:
