Explaining the new Divisions in Class A

A Special thanks to Dr. Carlos Cave of Whale Branch High School for his leadership in realignment

Overview

- Division Placement:** Teams are assigned to divisions for playoffs based on the SCHSL realignment metrics (45 ADM & multiplier) at the start of the season.
- Bracket Utilization:** The number of participating teams in a sports season determines the bracket used.
- Automatic Qualifiers:**
 - In a 65-team bracket, both the Region Champion and Runner-up automatically qualify.
 - In other brackets, only the Region Champion automatically qualifies.
 - The RPI will determine the seeding of the remaining teams in the playoff bracket.
- Division Allocation:**
 - Larger schools are placed in Division 1.
 - Smaller schools are placed in Division 2.
 - Upper and Lower State schools will only serve as a determining factor in Track and Field events and SCACA All-Star Games.

Challenges

- Sub-500 Teams:** There is a possibility that teams with a sub-500 record may qualify for playoffs.
- RPI Reliability:**
 - The chance of a 2-8 or 1-9 team qualifying is less than 1% using RPI.
 - RPI ensures that the most competitive teams are placed into playoff brackets.
