This Study Guide is designed to help you apply Sunday's message. Join a Life Group and do this study together!

1. Think back to when you were growing up — who was an adult (other than your parents) who made a positive impact on your life? What did they do that stuck with you?
2. This week's message was *It Takes a True Community: Raising the Next Generation*. Let's read Acts 2:42–47 together. Was there a part of the message or something from the panel that stood out to you or grabbed your attention?
3. Let's also read Galatians 6:2. When you think about Acts 2 and this verse together, what do you notice about the role we're meant to play in each other's lives?
4. How does Psalm 78:4–7 express God's heart for passing faith to the next generation? Why is this important, and how do you suppose He wants us to do this?
5. Ecclesiastes 4:9–12, Hebrews 10:24–25, and Galatians 6:2 remind us that we're not meant to do life alone. Where in your life right now do you most need support, encouragement, or community? And on the flip side, where might God be inviting you to show up for someone else?
6. This week, what's one small, practical way you could invest in someone else — especially a family, a child, or someone in a different season of life?
7. As we think about being a community that supports one another — how can we pray for you this week? Is there anything you're carrying that you'd like us to come alongside you in?
