

My notes from Sunday's message continued...

We live at the intersection of God's sovereignty and human agency.

Listen for God's leading.

Act with wisdom.

Trust Him with the outcome.

WALKING *with the* SPIRIT

AUGUST 16, 2026 ~ ERIC WAYMAN
Spiritual Logic

What if the reason we struggle to hear God isn't because He's silent? What if our lives are simply too loud?

Hearing God's voice isn't about a place; it's about a posture.

Listen: What has God made clear?

Act: What is mine to do?

Trust: What is mine to release?

This Study Guide is designed to help you apply Sunday's message. Join a Life Group and do this study together!

1. Have you ever been surprised by where a simple "yes" ended up taking you? Tell us about it.
2. This week's message was *Spiritual Logic*. Let's read Acts 13:1-12. Was there a part of the message that stood out to you or that God called your attention to?
3. In Acts 13:1-3, the church was worshipping and fasting when the Holy Spirit spoke. The message asked, "What if our lives are simply too loud?" Where does life tend to get noisy for you? What do you notice about the posture of these believers?
4. Let's read Proverbs 3:5-6. Acts 13 shows Paul and Barnabas listening to God while also using the wisdom, relationships, and opportunities God had given them. How does this passage help us understand what trusting God looks like when He hasn't given us the whole road map?
5. Many people struggle with knowing what God wants them to do in a certain situation. What have you found helpful when it comes to times like this?
6. Think about the message's three words: Listen. Act. Trust. What is one faithful next step God may be inviting you to take this week?
7. As we pray, where do you most need God's guidance, courage, or help trusting Him with the outcome this week?
