What exactly IS "THRIVE Unleashed"? In a few words... "We want to help inspire students to a deeper faith in Christ, to start unleashing compassion where there is suffering, unleashing kindness where there is selfishness, unleashing truth where there is darkness, & unleashing God's love where there is hate!" As a High School Student you will experience:

#### Connection

Students from all over Northern California come together to worship, learn with each other, and find God's unique calling on their lives.
