

SCHOLARSHIP APPLICATION for TCC STUDENTS **Summer Camps 2026**

Twin Cities Church believes camp experiences for children and students are highly valuable for faith development. We desire to make all activities accessible. Our church loves families, and it's by the generous donations of our church members that the scholarship funds are made possible.

Scholarship funds exist to aid those who cannot afford the full cost of an activity. Scholarships are decided by the needs presented and the availability of funds. *Scholarships do not cover the entire amount and rarely exceed more than half the cost of the event. Participants will need to pay a portion of the cost.*

Please turn in these items:

- 1. A completed Scholarship Application
- 2. The appropriate Activity Registration Form (for each child)

The scholarship team will do their best to notify you within one week regarding your requested scholarship. Once approved, the scholarship will be applied when your (partial) payment is made. Please be aware of payment deadlines as they differ between the camps. The remaining balance must be paid in full before departure.
