Bowling Etiquette

What is "Bowling Etiquette"?

"Bowling Etiquette" is how you handle yourself on the lanes. In a nutshell, it is the proper (unwritten law) way to bowl. I have put together a list of things you should do and things you shouldn't during your league play (or even during your open play), and more importantly why...

DO... Give the bowlers on the lanes next to you (i.e. if you are on lane 4, the bowlers on lane 5 has the right of way. What does this mean? Before getting on the approach to begin your bowling shot, you must pay attention to the lanes next to you. If someone is already on the approach on the lane on either side of you, you should wait. It is especially irritating to the seasoned bowler, if he/she is on the approach beginning their shot and you run up and throw your ball.

DON'T... Talk to bowlers while they are in the process of making a shot. Some bowlers will even say that you shouldn't talk to them between the 1st and 2nd balls in a frame. It is important that a bowler has every opportunity to concentrate on what he/she is doing when they are bowling. Once the frame is complete, talk away...

DO... Be polite. Don't antagonize the other bowlers on your pair of lanes. Everybody deserves to have a good time bowling and there is no place for pestering and insulting other bowlers in bowling. If someone does well, slap their hand (this is a regular practice amongst regular bowlers), if they don't (i.e. they throw a split), offer condolences by tapping their fist with yours.

DON'T... Use another bowler's equipment without asking. This kind of goes without saying, but other's equipment can be very important to them. This rule applies to everything from balls and bags to towels and hand cleaner. Nowadays a lot of the equipment that bowlers use to bowl is pretty expensive as well. A lot of bowling balls go for more than $250.

DO... Keep your hands out of the ball return and stay behind the foul line (the line where the gutters start). It is dangerous to put your hand in the ball return, there are moving parts in there. The lane has been oiled (at some point) beyond the foul line. If you go across the line, the oil will get on your shoes and you will track it back on the approach, not to mention that you may slip and fall.

DON'T... Take the bowling alley's equipment (shoes and balls). They need this equipment for the next bowler coming in behind you. If you take their equipment, they have to replace it. If enough people do this, the price goes up and this causes everybody pain.

DO... Enjoy your bowling. Don't let anybody take away from you having fun! The game is supposed to be fun and if you get to worried about what is going on, it can make you bowl worse (see my article on Attitude).

DON'T... Forget to pay for your bowling. This is a cardinal sin. The bowling alley relies on your paying for your bowling. A lot of bowling alleys have gone to having you give them one shoe when you get your shoes so that you won't leave without paying.

DON'T... Allow your children to run around the bowling alley, or worse yet get down on the lanes where people are bowling. This is dangerous (not to mention annoying to the bowlers)... not just for your child, but for the other bowlers. While we all enjoy seeing how cute your kids are, they do need to be kept off of the lanes.

If you follow these general rules of bowling etiquette, the people that you are bowling with and the establishment that you are bowling at will enjoy having you around. Please be courteous when you

for an
878 Series

High series awards go to the highest series for men and women in the association.

The award is derived from the award paperwork that is sent to the office during the season.

Some of the criteria for Secretary of the year are

- Getting The Sanction Application submitted in a timely manner
- Getting the bowlers applications Individual applications submitted in a timely manner
- When a new bowler comes in during the season submitting their application right away
- Unsanctioned bowler letters are addressed right away
- Making sure the application are properly filled out
- Award forms are properly filled in with all information needed
- Filing the final averages by June 10th. So they can be included in the average book

These are just some of the things considered for secretary of the year. The names of these secretaries are then chosen by lottery, if needed, to eliminate preferential treatment.

Connecticut bowler shoots 900 series

ARLINGTON, Texas - James Williams of Pawcatuck, Conn., has been striking across the New England area for decades and solidified his place in bowling history Tuesday as he rolled 36 consecutive strikes for a 900 series at Old Mountain Lanes in nearby Wakefield, R.I.

The 47-year-old right-hander struck on every shot he threw during the South County Classic league to become the 21st bowler in history to record a perfect series. The achievement is pending approval from the United States Bowling Congress and would be the 22nd USBC-approved 900.

In Williams' final frame, the 4 pin fell late on his first shot, and the 10 pin was the last to go on his second. His final delivery of the evening was an unforgettable light-mixer that earned him a spot in one of the most exclusive clubs in the sport. Bob D'Antuono of Lincoln, R.I., previously owned the Ocean State's highest set with 889, rolled in 1997.

"I was just trying to make good shots," Williams said. "I was a little nervous with everybody watching, but I tried to take it one shot at a time and just see what would happen. I never expected to have a night like this."

Williams has averaged more than 240 on several occasions and consistently has rolled honor scores over the course of his career. His latest achievement nearly left him speechless.

"It's a pretty big accomplishment and hard to put into words," Williams said. "You never expect to shoot three 300s. It's hard to imagine not a single nine count. It was an unforgettable night and one of the best of my life."

The first USBC-approved 900 occurred Feb. 2, 1997 when Jeremy Sonnenfeld rolled three consecutive perfect games in Lincoln, Neb. There has never been a 900 on Sport Bowling lane conditions.

900 Series Bowled in RI!

Jimmy threw his 900 series in the South County Classic League at Old Mountain Lanes in Wakefield, RI on April 16, 2013.

Jim is a long time bowler with multiple 300 games and 800 series. Jimmy's previous career high was 859 at Alley Katz Bowling Center in Westerly.

He currently averages 233, after averaging 238-240 for many years.

Congratulations to Jimmy Williams for throwing the first perfect series in New England History. RI USBC board members Jason Baker, Duncan Fraser and Laura Jacob, immediately came down and did a thorough lane inspection of the lanes, the pins, the pit area, and the oil patterns to guarantee his achievement will be recognized.

Congratulations Jimmy!
