3/5/2026	VAWA Emergency Transfers: Plans, Forms and Requirements	PH/HCV	This class will cover HUD's VAWA Emergency Transfer Plan requirements for all agencies along with discretionary measures that must be in the Plan. <i>What forms are required and when? How do I comply with HUD's requirement to document emergency transfer requests?</i> Learn the answers to these questions through an overview of HUD's newly released forms - the HUD-5381, HUD-5383, and HUD-5384.	Kati Gray
3/12/2026	Resident Services At-A-Glance: Serving Youth in Public Housing	PH	This class is designed to help PHA staff better understand Youth in Public Housing. We will examine and discuss their identity development, the common challenges they face, educational barriers that affect their progress, social and emotional needs, and support programs available to address these concerns. Attendees will also learn effective ways to support and assist youth and their families for positive outcomes. This class is great for Resident Service, ROSS, and FSS Coordinators who engage with this population in public housing.	Debra Taylor
3/19/2026	Section Eight Management Assessment Program (SEMAP) Certification	HCV	You've collected all the data, performed quality control, and certified your indicators. You're done, right? Not just yet, the most important part is still left – submitting your SEMAP Certification. These important steps and the time you have to complete them will be addressed in this class.	Derek Antoine
3/26/2026	EHV to HCV...Is it as simple as 1-2-3?	HCV	The Emergency Housing Voucher (EHV) Program is sunseting, leaving agencies with questions regarding how they can keep EHV families housed. Using the most recent HUD guidance, attendees will learn how agencies may work with EHV families to help them potentially receive assistance through the HCV program. Current funding measures for the EHV Program will also be discussed.	Kati Gray

4/2/2026	Discrimination under VAWA & How to Prevent It	PH/HCV	VAWA discrimination is viewed by HUD under the same scope as all other Fair Housing requirements. This class will highlight VAWA compliance measures while delving into the consequences of non-compliance. Who is liable? What may HUD do? What has historically happened in VAWA cases through the court systems? Learn how to ensure you are compliant, so these consequences do not affect your agency.	Kati Gray
4/9/2026	Compliant Interviewing Practices - What You Can & Can't Ask Applicants	PH/HCV	<i>Learn how to get the information you need without asking discriminatory questions.</i> This class provides guidance for obtaining needed information without violating Fair Housing laws. Learn when and how you can inquire about such things as disability, pregnancy, and gender.	Janice Gibbons
4/16/2026	Special Housing Types as Reasonable Accommodations	HCV	Does your agency offer any Special Housing Types? <i>Did you know</i> that you are required to still allow for a Special Housing Type as a reasonable accommodation, even if your agency doesn't offer it? Learn the definitions of all applicable special housing types and how your Administrative Plan must address this type of accommodation. In addition, learn what to do if a Special Housing Type is requested as a reasonable accommodation and your agency doesn't offer it.	Kati Gray
4/23/2026	Criminal Screening Responsibilities	PH/HCV	This class will review key considerations when considering criminal history, including what staff must and must not do during this process. Policy considerations and best practices related to criminal screening will be discussed along with mandatory vs. discretionary reasons for denial or termination. With recently published guidance on the use of arrest records in housing decisions, it is imperative that policies and procedures related to criminal screening address how the PHA will handle discretionary reasons for denial or termination.	Janice Gibbons
4/30/2026	Maintenance Documentation & Tenant Communication	PH	<i>Learn Best Practices for Documenting & Reporting Maintenance Activities with Fair Housing in Mind.</i> This class focuses on the important role maintenance staff and property teams play in delivering equitable, consistent, professional, and well-documented service to all residents. Receive tips and guidance for writing clear and useful work order notes, reporting completed work, and avoiding common documentation mistakes that can create risk for the agency. This class will also address effective tenant communication before, during, and after maintenance visits.	Derek Antoine

5/7/2026	Resident Services At-A-Glance: Serving Elderly & Disabled Residents	PH	This class prepares staff to support elderly and disabled residents in public housing by understanding their rights, needs, and challenges. Attendees will learn practical skills in communication, identifying needs, coordinating services, and creating inclusive environments. Promoting safety, dignity, and independence while complying with the Fair Housing Act and the Americans with Disabilities Act will be discussed.	Debra Taylor
5/14/2026	Quality Control File Review	PH/HCV	Incorporating routine Quality Control File Reviews (QCFRs) can assist PHAs in identifying individual and systematic performance errors, which may be the cause of incorrect tenant rent calculations. Learn how routine QCFRs can provide insight into PHA operations and procedures that may need to be addressed with income and rent determinations.	Tracy Edwards-Henson
5/21/2026	HCV Landlord Rent Increase Requests	HCV	A landlord has submitted a request for an increase in rent for a Housing Choice Voucher program participant family. Now what? This class will cover the required steps to approve or deny a rent increase, the “dos and don’ts” of the rent increase process, and an overview of best practices to ensure retention of landlords in your HCV Program.	Kati Gray
5/28/2026	Treatment of Financial Assistance for Students of Higher Education	HCV	<i>Learn how student financial assistance must now be handled for the HCV program.</i> With the FY2026 change eliminating the old Section 8-specific rule, voucher programs will now follow the HOTMA framework. This class gives staff the regulatory foundation, key HUD guidance, and real-world application they need to determine what counts, what is excluded, and how to make income and rent decisions. Through focused examples and case studies, attendees will sharpen their ability to work through student status, financial assistance, and family circumstances.	Derek Antoine

7/2/2026	Resident Services At-A-Glance: Understanding & Supporting Veterans	PH	Veterans bring valuable strengths, skills, and experiences to our communities, but some may face challenges related to employment, health, housing, family relationships, and adjusting to civilian life. This class provides an overview of the veteran experience and practical strategies for supporting veterans in housing, social services, and community programs. By better understanding veterans' experiences, attendees will be equipped to provide person-centered support that promotes dignity, stability, and success.	Debra Taylor
7/9/2026	HCV Applicant & Participant File Management	HCV	From Applicant to Program Participant, learn what documentation you should keep and how to best meet regulations to avoid future audits or SEMAP findings. With the amount of correspondence, paperwork, and verifications to be processed, this can be difficult to accomplish. This session will also discuss and recommend file contents for user-friendly and audit worthy files.	Kati Gray
7/16/2026	SEMAP: Determination of Adjusted Income - An Overview of the Verification Process	HCV	Determination of Adjusted Income (DAI) is one of the most failed SEMAP Indicators. This class will provide an overview of the factors to be considered by the agency in their review of DAI. Attendees will learn how a rock-solid verification process can ensure a passing score for this indicator.	Kati Gray
7/23/2026	Marijuana & HUD Assisted Programs	PH/HCV	The legalization of marijuana in many states has caused confusion for PHAs when program participants with disabilities request reasonable accommodations permitting the use of medical marijuana. Participants will learn the HUD requirements prohibiting admission into assisted housing programs and the requirements for PHAs to establish occupancy standards and lease provisions based on the illegal use of controlled substances. Guidance will also be provided for language that should be included in policies and leases that allow for clear decisions for denying admissions and terminating assistance for those currently using state legalized marijuana.	Tracy Edwards-Henson

9/3/2026	Reporting Cybersecurity Incidents: The New HUD Requirements	PH & HCV	Cyber incidents are no longer just an IT problem - they are now a HUD reporting requirement. This class breaks down PIH Notice 2026-17 and HUD's new requirement for PHAs to report qualifying cyber incidents. We'll examine what HUD considers a cyber incident, and other events that threaten agency information or systems. Attendees will learn what information must be reported, who must receive the notification, and what PHAs should have in place before an incident occurs, so staff are not building a response plan during a crisis.	Derek Antoine
9/10/2026	HCV NSPIRE: Getting Ready for the New Inspection Rules	HCV	The transition from traditional HQS to NSPIRE is getting closer, and HUD has now clarified what PHAs need to do to prepare. This class dives into PIH Notice 2026-18, HUD's updated and finalized administrative procedures for implementing NSPIRE in the HCV, PBV, and applicable voucher programs. Attendees will explore how the NSPIRE approach changes what inspectors look for, including its greater emphasis on resident health and safety, functional conditions, inspectable areas, life-threatening deficiencies, and affirmative habitability requirements. We'll also identify requirements that are already in effect despite the implementation extension. Additionally, we will cover operational decisions PHAs need to make now.	Derek Antoine
9/17/2026	Firearms & Weapons in HUD Assisted Units	PH & HCV	Do individuals receiving assisted housing have the right to keep a firearm in the unit? While the Second Amendment establishes the right to bear arms, this right is not unlimited. It's important to understand how the right to bear arms and those receiving assisted housing rights coexist, differ, and intersect. Participants will receive information on the right to bear arms in HUD Assisted Units, suggested policies, and lease provisions.	Tracy Edwards-Henson
