BGCWC Embraces Staff Leadership Changes

The new year brought new leadership to BGCWC! **Chief Executive Officer Alicia Painter** (pictured top) took the helm as BGCWC's fourth leader and first female leader in our organization's 65-year history. Alicia is a graduate of Earlham College where she was a Bonner Scholar. She has been with BGCWC for 11 years, serving in several roles including Camp Director, Program Director, Unit Director, Sr. Unit Director, and Director of Operations. Alicia stated that she believes in the mission of the Boys & Girls Club and is eager to serve in this new role.

The Executive Committee also named **Jennifer Feaster** (pictured middle) as **Chief Financial Officer**. Jennifer has been with the Club for 19 years as Director of Financial Administration. She earned her bachelor's degree from Indiana University and has completed two certificate programs through the IU Lilly School of Philanthropy in Non-Profit Executive Leadership and Fundraising Management. She is an active Kiwanis member and is the immediate Past-President of the Richmond Kiwanis Club and serves on the Board of Directors for Safety Village of Wayne County, Richmond Aviation Board of Commissioners, and was recently elected to serve on the Indiana University Alumni Association Executive Council.

Later in January, BGCWC named **Rachel Winters** (pictured bottom) as our **Chief Operating Officer**. Rachel earned her Bachelor of Science in Social Work at Miami University in 2017 and has served at our Richard E. Jeffers Unit as Unit Coordinator and Unit Director since 2018. The role Chief Operating Officer is a new position, replacing the previous Director of Operations, responsible for the Clubs' day-to-day operations, providing strong leadership to staff and volunteers, and implementing new strategic initiatives related to areas such as operations, program services, program expansion, innovation, membership growth, and human resources.

Meet Carly, our 2022 Youth of the Year!

We could not be prouder to announce our **2022 Youth of the Year Carly P.** Carly is a sophomore at Richmond High School and has been a member of BGCWC for 4 years.

"The Club has become a second family to me," Carly noted. "The staff at the Club have always made me feel wanted, needed, and valued."

Carly hopes to be a representative for all youth and inspire others as YOY. She intends to use her platform to shine a light on bullying and the effect of drug use on families.

In addition to the award, Carly received a \$1,000 scholarship and advanced to compete for Indiana State Youth of the Year where she placed in the top five, received an additional scholarship, and was offered a free semester at **Ivy Tech**.

Celebrating the Life of Longtime Staff Brad Marshall

Our organization faced a difficult start to 2022 with the passing of **Brad Marshall**. Brad started at BGCWC in 2001 as Education Director. Brad was one of only six staff members at the time, so he wore multiple hats. He transitioned over to a program staff and started running programs like Passport to Manhood, affectionately known as the “Man Club” as he and his youth members would chant. He later ran the Positive Alternatives program where he found his true passion for helping youth in trouble. The last few years, Brad served as the Director of Buildings & Grounds where he oversaw the maintenance at all five Club Units. His soulful voice will be missed as well as his compassion for all his fellow co-workers.

Jack Reed Scholarship Assists Exceptional Local Teens

Richmond High School seniors **Amyia Farris** and **Wesley Phillips** both received the **Jack Reed Memorial Scholarship** during our Spring Spotlight. Both students will receive \$2,000 from the Jack Reed Memorial Scholarship and an additional \$1,000 from the **Ivy Tech Foundation** to continue their education post high school. Amyia intends to pursue a career in the medical field and Wesley plans to study engineering. The two seniors were selected from a group of six finalists by a panel of judges based on their academic merit and involvement with BGCWC. Amyia has been a Club member for nine years and has served in many leadership positions within the Club. Wesley served as BGCWC's 2020 Youth of the Year and is a current Club staff member. We look forward to sharing in their Great Futures! (Pictured from left to right: Amyia, **Board President Tracie Robinson**, **Director of Resource Development & Special Events Sarah Roddy**, Wesley, and **CEO Alicia Painter**.)

Supportive Staff Lead to Successful Students

Club Staff Member Januaree Marshall was so excited to learn that 66 First Bank Unit members made **Richmond Community Schools' Honor Roll**, that she made sure they were recognized all day. We couldn't be prouder either—that's half of the Club's daily attendance on Honor Roll! Supportive adults like Januaree can make all the difference in a child's academic experience.

Tweens Takeover the Club

BGCWC is becoming the place to be for tweens! Club members ages 10-12 have begun meeting on Thursdays at McDaniel Unit for special Tween Nights hosted by **Torch Club**, our program where tweens develop and strengthen their leadership skills. Card games, open gym, and, of course, snacks are highlights of the evenings.

Torch Club has also been active within our community. Members recently completed their national service projects. Our McDaniel Unit Torch Club (pictured below) organized a pet drive to benefit **H.E.L.P. the Animals**, and our Hagerstown Unit Torch Club created go-bags for foster kids in need.

Torch Club isn't the only place for tween programming in our Clubs. **Club Staff Member Joseph Limburgh** organized members in our 10+ gym into Olympic-inspired challenges like speed skating, shot put, waterless swimming, and more during the month of March. Members were scored on their performance and received points for participation. Trophies and medals were for the top three gold/silver/bronze were presented to winners of each event (pictured above). All participants celebrated with a pizza party.

We're excited to see this growing group of young people becoming increasingly active in Club life and their community!

Teen Nights See Increased Participation & Attendance

Teen membership and participation is on the rise at BGCWC thanks to our weekly Teen Nights. These open-gym, light programming events have seen an average attendance of 22 teens each week, a 75% increase over 2021 attendance rates!

We attribute the success of The CLUB Teen Center to fantastic staff leadership and to generous food donations from teen favorites **Buffalo Wild Wings**, **Taco Bell**, **KFC**, and **Mancino's**!

Our teen members are looking forward to the unveiling of new renovations to The CLUB Teen Center coming soon. With a new, renovated safe space for teens to go after school, caring staff, and community support, we expect our Teen Nights will continue to grow in popularity and create lasting impact on the youth of Wayne County!

Keystone Cares about Clubs

Keystone, our leadership development program for young people ages 14-18, has contributed to improving the Club experience for other members. In February, Keystone members launched the "Compassion Project," a targeted effort to show kindness throughout all of our Clubs and encourage younger members to do the same. Members also hosted a #WeOwnFriday event to encourage teen membership. Attendees played basketball, ran tournaments, had great food, and left with gift cards (pictured), candy, and chips for prizes. Thank you to these amazing teens for their service to the Club!

Teens Learn Job Skills

Thank you to **BGCWC Board Member** and **President of Manpower Richmond Michael Allen** (pictured front) and **BGCWC Board President Tracie Robinson** for speaking with our teens at The CLUB Teen Center about best interview practices. Michael gave an informative presentation to help our teens prepare for the workforce.

They had a lot of great questions and received excellent advice. Workforce readiness is an important outcome of Club programming, and we're grateful for supportive community partners who help us pave the way to Great Futures!

Art Show Exceeds Expectations

This year's Art Show was so huge, we had to move it to the gym at our Jeffers Unit! Thanks to the tireless work of our Art Instructors and funding from the **Wayne County Foundation**, 300 Club members created nearly 900 works to submit for our Art Show! Twenty-five first-prize winners went on to regional competition, and we had one Midwest Fine Arts regional winner! **Club Member Olivia B.** won her age group's Multi-Colored Drawing category for "Why Did the Chicken Cross the Road?" Congratulations, Olivia!

Take Down Tobacco Educates and Entertains

National Take Down Tobacco Day, formerly Kick Butts Day, was April 1st this year. Youth at the Club learned about the effects of smoking, what's in a cigarette, saw how cigarettes affect your lungs, and had a chance to "Take Down Tobacco" in a joust with a cigarette. Thank you to partners from **Reid Health, Neighborhood Health Center**, and **Anthem Blue Cross Blue Shield** that came and offered prizes to the youth for asking and answering questions.

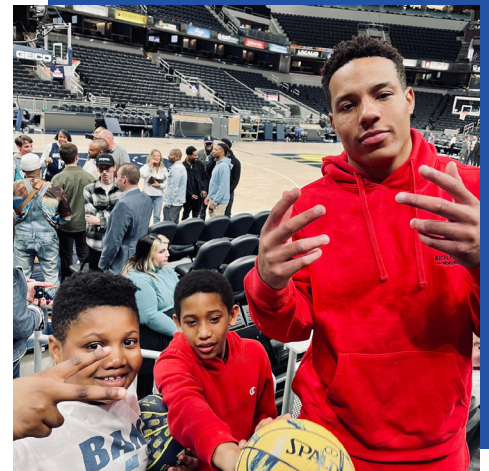

Earlham College Hosts Sports Clinics for Clubs

Our friends at **Earlham College** went out of their way to connect with Club members this spring! Players from **Men's Basketball, Men and Women's Lacrosse, Women's Field Hockey** (pictured), and **Women's Volleyball** each hosted a one-hour clinic with our Club members to teach valuable sports skills. BGCWC would like to extend an extra thanks to the Men's Basketball and Women's Volleyball for donating sports equipment to our Clubs and Club members. We look forward to more partnerships with Earlham Athletics!

Community Comes Together to Send Kids to See Pacers Take on Desmond Bane

We could not have been more excited to be able to take ten BGCWC members and two staff along with forty participants from **Future Achievers**, **Townsend Community Center**, and the **Richmond Family YMCA** to see **BGCWC Alum** and **Memphis Grizzlies Shooting Guard Desmond Bane** take on the **Indiana Pacers**! In addition to a ticket and transportation, participants received spending money for concessions and souvenirs. They also were able to attend a meet-and-greet with Desmond Bane after the game! Thank you to **Richard & Lynne Lake**, **Allstate Insurance**, **VanVleet Insurance Agency**, **Christian Connectors**, **KTL Performance Mortgage**, and **Drs. Jeff & Becky Louge** for making this amazing opportunity for the youth of Wayne County a reality!

Canstruction Builds Hope

Thanks to our friends at **Ahaus Tool & Engineering, Inc.** and **United Way of Whitewater Valley** for bringing Canstruction to our Club!

Members used real engineering skills to create a cheeseburger out of 1,440 canned goods. Their masterpiece was on display at the Club for a limited time before it headed off to the **Community Food Pantry**!

Celebrating the Seasons Club-Style

Club fun is always in season! Members celebrated special days this winter with holiday parties and costume contests. They also enjoyed a visit from **Melty the Moose** (top) during **The Meltdown Winter Ice Festival!**

As spring approached, our Indiana Kids members (bottom) helped staff prepare for our Community Easter Egg Hunt by stuffing plastic Easter eggs with candy, gift certificates, and toys donated by generous community members.

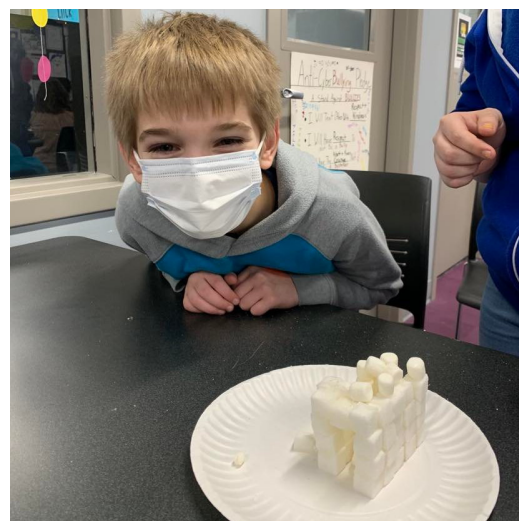

The Easter Egg Hunt took place simultaneously at our Jeffers, McDaniel, First Bank, and Western Wayne Units. Community members of all ages were invited inside the Clubs to hunt for treats. Overall, we served more than 200 people at this spring event!

Indiana Kids Enjoy Hands-On Learning Activities and Projects

Our Indiana Kids program, funded by the **Department of Education**, is designed to help youth achieve in reading and math by completing high-yield learning sessions, and it is thriving! Indiana Kids delved into a variety of subjects this semester from how clouds create rain to a history of U.S. presidents!

By using hands-on activities and demonstrations, our Education staff have created a fun, fast-paced environment where kids want to learn. We can't wait to see what they do next!

Resource Fair Connects Community Members

BGCWC partnered with **Reid Health Community Outreach** to present a Community Resource Fair at our First Bank Boys & Girls Club. BGCWC teens built benches and helped refurbish old Pal-Item newspaper boxes to place a Little Free Library at the Club location and partnered with **Mt. Olive Baptist Church** to place a Free Food Pantry at the Club site. The fair and new community boxes were made possible through funding from the **Forward Wayne County NICE! (Neighborhood Involvement and Community Engagement)** grant initiative. Club teens will maintain the Little Free Library and Mt. Olive will maintain the pantry. **Women's Workshop Richmond** helped teens build the benches. The fair was a success thanks to **Sharrie Harlan Davis** and over 20 community agencies that came together to provide resources and information to the community. Thank you to **Kim English** from **Every Child Can Read** and **Guy Guthrie** and **Chris Sparks** from **Envirotech** for helping the Club secure donated paper boxes.

Thanks to the following participating vendors:

Jeff Jeffers Memorial Golf Classic Drives Donations

Thank you to everyone who joined us at **Elks Country Club** for the Jeff Jeffers Memorial Golf Classic! We had a record number of teams come out to support the Club and our work. Together we raised over \$46,000! A special thanks to our sponsors:

Title Sponsor: **The Family of Jeff Jeffers**

Major Sponsors: **3Rivers Federal Credit Union; Ahaus Tool & Engineering, Inc; First Bank Richmond; KFC/ Taco Bell; Meijer; Recycling Center; Ronald L. McDaniel Foundation; Reid Health; Wetzel Auto Group; and Whitewater Broadcasting.**

Corporate Sponsors: **Belden Inc., Coldwell Banker Lingle, Dick's Sporting Goods, Earlywine Pest Control, Encompass Dealer Services, EPIC Insurance, Golden Engineering, Porter Advertising, Stegall-Berheide-Orr, TLC Pet Hospital, and Vantor Corp.**

Food Sponsor: **Buffalo Wild Wings**

Hole-In-One Sponsor: **Harrington Hoch**

Favor Sponsors: **First Bank Richmond** and **Tiedemann Bevs**

Beverage Sponsor: **Porter Advertising**

Closest to the Pin & Longest Drive Sponsor: **Office 360**

Annual Dinner Celebrates 2021

Thanks to everyone who joined us for our Annual Dinner! We loved celebrating everything BGCWC accomplished in 2021 with you in person again. Congratulations to our award recipients:

Bob Rosa President's Award: **Jeff Sheridan** and **Garry Kleer**
President's Induction Gavel: **Tracie Robinson**

Past President Award: **Greg Easley**

Volunteer of the Year: **Alisa Clapp-Itnyre**

Employee of the Year: **Larry Young** (pictured center)

Early & Kathryn Mayer Award: **Mayer Management KFC/Taco Bell**

Board Member of the Year: **Randy Templin**

Man & Youth Award: **Ron Maze**

Richard E. Jeffers Legacy Award: **Bruce Daggy**

Bruce Daggy Receives Sagamore of the Wabash

Attendees at our Jeff Jeffers Memorial Golf Classic were witness to a special surprise: **State Representative and BGCWC Board Member Brad Barrett** (left) and **State Senator Jeff Raatz** (right) stopped by to present **Ex Officio Executive Director Bruce Daggy** (center) with a **Sagamore of the Wabash**! This award is the highest honor the Governor of Indiana bestows and is a tribute to those who have rendered a distinguished service to the State of Indiana. Bruce was honored for his years of service to the Boys & Girls Clubs movement and the lasting impact it has made on Indiana youth.

Staff, Board Attend BGCA National Conference

BGCWC was fortunate to send six staff and two board members to Chicago this May to attend BGCA National Conference! Attendees listened to motivational speakers, participated in breakout groups, and were entertained by Club kids from across the country.

This was an amazing opportunity for professional development, team building, networking, and increasing our commitment to our national movement.

Evan's Toyota Raises Funds

Thank you so much to **Evans Toyota** in Fort Wayne and former BGCWC staff member **Allyn Bennett** (left) for donating \$500 to BGCWC! We appreciate you choosing our organization to receive funds raised through your friendly, but competitive, penny wars!

Congratulations to the BGCWC Class of 2022

We are overjoyed to announce the following Club members are now high school graduates:

Aalaizha C.
Amyia F.
Ethan Jacob P.
Jacob W.
Jayci A.
Megan R.
Michael J.
Natalia H.
Sophia B.
Wesley P.

BGCWC Partners with Health Department

At BGCWC, we're doing whatever it takes to keep our community safe from COVID. We partnered with the **Wayne County Health Department** and **Neighborhood Health Center** to host two vaccine clinics at our Jeffers and First Bank Units. In addition to offering the community access to COVID vaccines, boosters, flu shots, and information about public health, we also sponsored a baked potato bar and gave out gift cards to participants.

Club Fit Keeps Kids Active and Engaged

Our Club Fit program makes use of the evidence-based CATCH (Coordinated Approach to Children's Health) program and other curricula that promote best practices to instill healthy fitness habits and skills in our kids. Thanks to **Reid Health Community Benefit** and the **Indiana Sports Exchange** for helping the Club deliver Club Fit to 676 youth during the 2021-2022 school year.

Paul & Pat Lingle Support First Bank

Our First Bank Unit had two very special guests recently: **Paul & Pat Lingle**. The couple graciously funded the **Lingle Learning Center**, where members come to do homework, learn, and receive tutoring. Their generosity and commitment to our community ensure our kids have a safe and fun place to come after school.

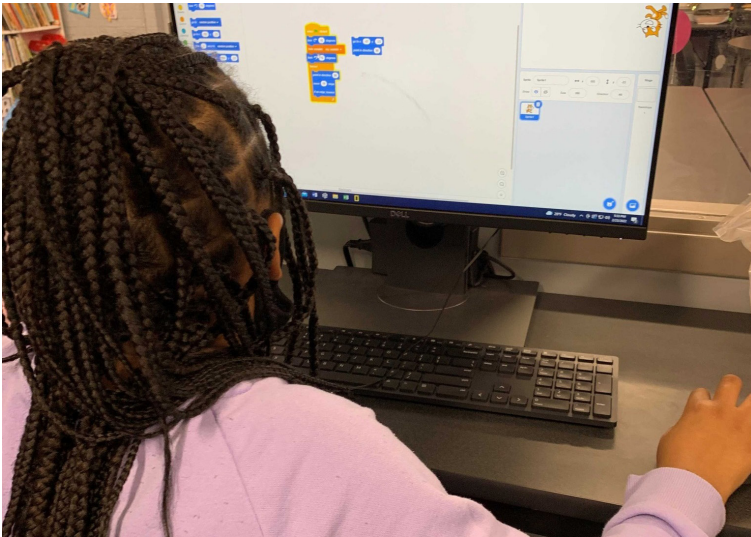

Anthem Teaches Tooth Care to the Club

Thank you to our friends from **Anthem Medicaid** for coming out and visiting some of our Clubs! Our members were able to learn about the importance of dental hygiene, and 25 members at each unit received hygiene kits including toothbrushes, toothpaste, floss, hand sanitizer, hair brushes, and much more to help them keep their dental health on track!

Partnership Puts Club Members in the Spotlight

Access can be one of the biggest barriers to arts participation, and we love when organizations are also willing to do whatever it takes for the youth of Wayne County! Our friends at **Stage One Youth Theatre** and **Richmond Civic Theatre** partnered with us to make sure BGCWC members were able to audition for their production of *Charlie and the Chocolate Factory* by bringing auditions directly to our Clubs and hosting an audition workshop to prep Club members for the process. **Director Dr. Alisa Clapp-Itnyre**, BGCWC's 2021 Volunteer of the Year, worked particularly tirelessly with us to make sure that Club members could attend rehearsals and performances. As a result, BGCWC had 17 Club members participate in *Charlie and the Chocolate Factory* with Charlie being played by our very own **Trace L.**

Code In Class...In Clubs!

Our friends at **The Indiana Manufacturing Competitiveness Center (In-MaC)** create a stronger manufacturing ecosystem for Indiana, and BGCWC is grateful for their support in helping the Club present Code in Class, a computer science curriculum designed to help members get an early start on expanding their technology skills.

New Programing Teaches Peace & Resolution

Thanks to support from **United Way of Whitewater Valley**, our Prevention Specialists at BGCWC have been able to deliver the evidence-based Too Good For Violence curriculum to 50 4th and 5th grade Club kids and 207 6th grade **Richmond Community Schools** students so far this school year!

Meijer Donates \$50,000 to Fund Great Futures

Thank you to our friends at **Meijer** for their gift of \$50,000 in support of BGCWC's educational and development programs! **Store Director for Meijer 115 Sandi Matthews** (last row 4th from left) and **Market Director-Dayton Market Greg Harrison** (last row 2nd from right) stopped by the Club to present a check to some very excited Club members! BGCWC was one of 24 Boys & Girls Clubs across the Midwest to receive a donation.

Whitewater Valley REMC Gives Back

Thank you to our friends at **Whitewater Valley Rural Electric Membership Corporation** for supporting our Clubs with their grant! **REMC Trustees Sarah Jane Moyer** (left) and **Gary Stokes** (right) presented **Director of Grants & Data Paul Lower** (center) with a check for \$1,000 to bolster our ever-growing art education program at all BGCWC units.

Coat Donations Keep Kids Warm

BGCWC members were kept warm during the winter thanks to not one but TWO donations of winter coats! Thank you to our friends at **Indiana American Water** for their donation of coats and winter gear as part of their Inclusion & Diversity Team MLK Day of Service and to **Club Alum** and **Memphis Grizzlies Shooting Guard Desmond Bane** who donated coats through his partnership with **Operation Warm!**

Grants Fund In-School Programs

Reid Health Community Benefits continues their support of our Prevention Plus programs which served 1,800 youth in the 2021-2022 school year. **Community Benefit Director Angela Cline** (center right) and her team stopped by the Club to present a check for \$10,000 to **Director of Healthy Lifestyles Jenny O'Brien** (center left). Thank you for doing whatever it takes for the youth of Wayne County!

Thank YOU to our Donors

It takes a lot to build great futures for today's youth: caring staff, safe places, quality programs, experienced leadership, meaningful support, and so much more. Your gifts make our vision possible. We want to thank everyone who contributed to BGCWC by listing all **gifts received between January 1st– April 30th, 2022**. Great care has been taken for the accuracy of spelling, however, mistakes happen. If you see an issue please call us at 765-962-6922 or email Sarah Roddy at sroddy@bgcrichmond.org.
