

## **TTSC Photography Policy**

To support the sport of swim and our club, TTSC coaches, authorized representatives and members at large may wish to take photographs (individual or in groups) of swimmers during meets, at team events, during practice, or during team travel. All photographs taken by TTSC coaches and members at large must observe generally accepted standards of decency in particular:

- Action shots should be a celebration of the sporting activity and not a sexualized image in a sporting context
- Action shots should not be taken or retained where the photograph reveals a torn or displaced swim suit
- Photographs may not be taken from behind swimming blocks at the start of a race or exhibit a child climbing out of the swimming pool.
- Photographs may not be taken in locker-rooms or bathrooms.

Should any family decide they would like to opt out of this authorization, please send an email to our Safe Sport Coordinator and the head coach, requesting not to have your swimmer photographed or their image used for TTSC promotions.
