SOLSTICE

28K - EGP

The semicircular arch and radial wooden details evoke the image of a rising sun or celestial dial, giving the chair a sculptural, cosmic presence.

Colors

LORA

22K - EGP

The name evoke the idea of stories passed down through time. the tapestry is visually telling a narrative of pastoral life, courtship, or fantasy and "Lora" gives it poetic dignity without being specific to a place.

Colors

MONEL

18K - EGP

This modern accent chair blends artful geometry with functional comfort. Its bold, monolithic form gives it a sculptural presence, while the soft upper cushioning invites relaxed seating

Colors

DUNE

14K - EGP

A sculptural seat inspired by desert curves. Fluid, continuous lines meet warm velvet in a piece that feels both bold and effortlessly organic.

Colors

DUNE

HELIX

28K - EGP
For each

A solid wood side table showcases a modern sculptural design that combines elegance with artistic flair. The concept appears to be inspired by stacked ceramic or porcelain plates, giving it a dynamic, fluid form that spirals subtly from top to bottom.

Colors

CONCENTRIC

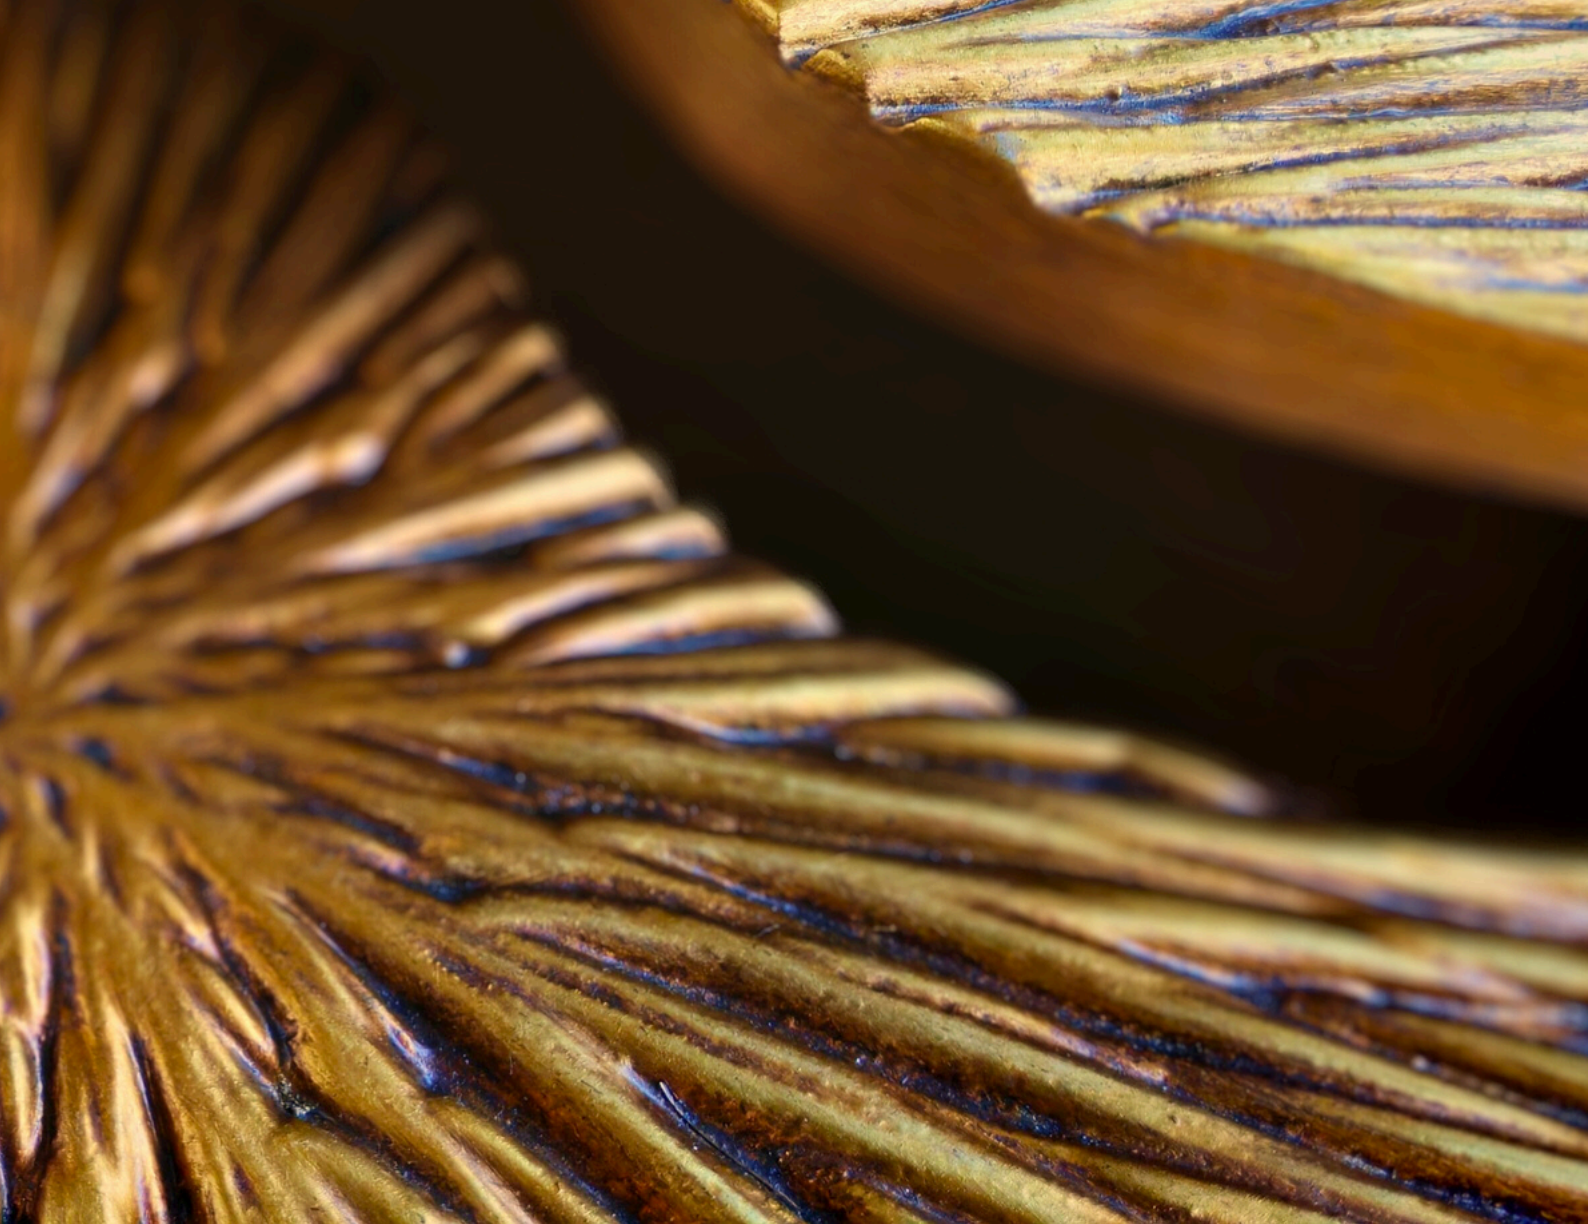

65K - EGP

2 piece set

This handcrafted striking pair of nested side tables embodies a bold and modern design concept rooted in optical illusion and geometric precision. Featuring a radial black and white mother of pearl striped pattern that converges at the center.

Colors

ZINIA

35K - EGP

This piece is truly radiant, evocative of a sunbursts, ginkgo leaf, or rippling water lily, sculpted in gold. the interlocking form adds an organic elegance, almost like two celestial bodies in motion or petals gently touching.

Colors

PETRA

35K - EGP

The Petra Table fuses architectural wood geometry with jewel-like bronze bases for a bold, sculptural presence.

Colors

LYRA

75K -EGP

3 level - side

this side table is striking, a fusion of nature and modernity. the organic, starburst-cut wooden tops evoke ginkgo leaves, coral, or sunbursts, and the clear base adds a floating, sculptural elegance.

Colors

VINE LEAVES

55K - EGP

This striking cabinet embodies artistic sophistication. The piece features a dark, rich wood intersected by a dramatic, golden gilded lines create a sense of movement and dynamism, turning it into a sculptural centerpiece.

Colors

Q-TREE

24K - EGP

A sculpted block of brilliance—this piece captures raw nature in a molten gold finish. Its hand-carved craters evoke eroded stone or celestial textures, blending organic form with opulent shine.

Colors

ORBIT

15K - EGP

The Orbit Table features stacked, rotating circular forms .

Its sculptural silhouette and aged finish give it a sense of dynamic balance –both grounded and celestial.

Colors

PUZZOLO
