

Paper Towel and Foil Wrap Tiered Drawer System

Keep your countertops clutter-free while maintaining easy access to your paper towels with the 4PTTD Series! This innovative tiered drawer system combines organization and convenience, featuring ample storage space, a removable dowel for quick refills, and smooth, soft-close slides.

The design also includes three integrated holders with cutting blades, perfect for aluminum foil, plastic wrap, and parchment paper, making meal prep and cleanup effortless.

Features

Walnut 4PTTD

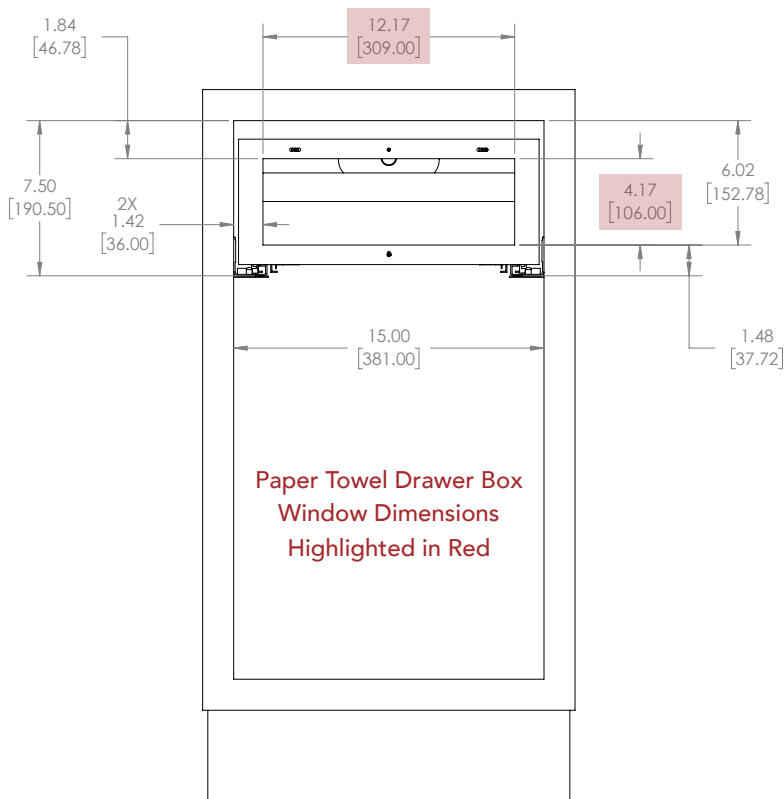

- Designed for use in 18" full-height base cabinets or door/drawer applications with a 15" wide by 7-1/2" (7-5/8" for inset) high drawer opening
- Natural maple dovetail construction with a semi-gloss finish or walnut with a satin finish
- Holds (1) standard paper towel roll (6" diameter) and features a tiered design with (3) included holders and cutting blades for aluminum foil, plastic wrap and parchment paper, as well as storage space in the back and underneath
- Available with BLUM Tandem full-extension concealed soft-close slides, 100 lb. static load rating
