Archangel Radio

June is dedicated to the Sacred Heart of Jesus, and I wanted to share my song SACRED HEART SONG with you. This song is incredibly special to me because it was written in the very moment Jesus revealed Himself to me. After many years away from the Church, searching for meaning in all the wrong places, I decided to attend Mass. As the priest elevated the Body of Christ and said, "This is My Body, which will be given up for you," my whole body began to vibrate. I was suddenly overwhelmed by a deep peace and an abiding love unlike anything I had ever experienced, except once before when Mother Mary appeared to me years prior. But this encounter was different. It was internal, spiritual, and deeply personal. I felt Jesus wrap His love around me. In flashes, He showed me moments from my life, especially the years of rebellion and

wandering. Yet there was no judgement, only love. I understood that, like a good father, He had allowed me to make my own mistakes, trusting that one day I would return to His Sacred Heart. His love was so perfect that I began to weep as goosebumps rushed through my body. Then, in the silence of my heart, I heard the words: "Welcome home, My son."

As an image of the Sacred Heart appeared on the church screens, I realized I was the prodigal son. I was overwhelmed with repentance and sorrow for the ways I had allowed the world to lead me astray, but even more overwhelmed by His mercy. It was there that I truly confessed, and my new journey began.

SACRED HEART SONG is my testimony. I pray this song brings healing, hope, and reminds you that no matter how far you've wandered, His love never stops calling you home. Jesus loves you so, so much. I can honestly say that I finally know Him. My wonderful, caring, kind, forgiving, and merciful Father. Amen.
