Catholic Foundation FAQs

Q. What are the benefits of investing with The Catholic Foundation?

A. The Catholic Foundation offers many benefits for parishes and archdiocesan ministries, including expert financial management of assets tailored to your needs and interests and a possible increase in income from assets for the parish or ministry. The Foundation currently has approximately \$180 million in invested funds. Therefore, the parish, school or ministry benefits from reduced rates and increased returns due to the economies of scale. Gifts and bequests left directly to The Catholic Foundation for the benefit of a specific parish are not subject to cathedralicium. Likewise, any realized investment earnings generated while those funds remain deposited in the Foundation are also exempt from cathedralicium.
