DEVELOPMENT OVERVIEW

2807 Bonin Road, Youngsville, Louisiana

Welcome to Parc Bonin, a thoughtfully planned commercial development strategically located in the heart of Youngsville, one of the fastest-growing communities in Acadiana. Surrounded by thriving residential neighborhoods, top-rated schools, numerous popular dining establishments, and major community assets, Parc Bonin offers a unique opportunity for medical, professional, and retail tenants seeking visibility, accessibility, and a highly desirable location. The development provides **direct access to Sugar Mill Pond**, one of Youngsville's most sought-after residential communities, located just across Bonin Road.

Development Highlights:

- **Lot 1:** Future home of a brand-new *Ochsner Clinic*, bringing established healthcare presence and daily traffic to the site.
- **Lot 2:** Ideal for **medical providers** and **retail** tenants such as a coffee shop, tea or smoothie shop, health food store, pharmacy, bank, boutique apparel, shipping store, etc. Includes availability for a **drive-thru end cap**.
- **Lot 3:** Designed for **professional services**, such as CPAs, architects, law firms, insurance advisors, real estate brokers, etc. Pad site available with **build-to-suit** opportunities, offered **for sale or lease**.
- **Lot 4:** Flexible opportunity for larger land users. Can be subdivided into **1-4 acre tracts**. Perfect for future development, with land available for sale or build-to-suit.

COMMUNITY FEATURES

Parc Bonin offers more than just commercial space. The development will include attractive amenities such as scenic **ponds**, a **gazebo**, and a **pedestrian bridge** (connecting Lots 2 and 3) - all with **connectivity to Sugar Mill Pond**, designed to enhance foot traffic, create gathering areas, and promote a welcoming atmosphere for visitors and tenants alike.

Additionally, a prominent **monument sign at the entrance** will provide ample space for tenant branding and visibility, ensuring strong exposure along Bonin Road.
