***FAMILY COMMITMENT**

Once a family commits a student(s) to attend VLMCS, tuition and fees are required, even if the student withdraws from school. The tuition is non-refundable and must be paid in full according to the payment schedule outlined, regardless of the student's withdrawal or expulsion from VLMCS. Although the tuition may be paid in installments, this does not constitute a fractional contract. The enrollment agreement is for the entire school year, and the obligation to pay for the entire year is unconditional, without reduction or remission.
