#### \*FAMILY COMMITMENT

Once a family has committed to sending students to VCS, tuition and fees are due even if the student withdraws from the school. Tuition is non-refundable and must be paid in full according to the payment schedule, regardless of a student's withdrawal or expulsion from VCS. Although tuition may be paid in installments, this does not constitute a fractional contract. The enrollment agreement covers the full school year, and the obligation to pay for the entire year is unconditional, with no reductions or remissions.
