Honoring

To give value to, to show deep respect towards, give honor to someone, something of value, in the deed, person, speech, is a deep authentic call to something that stands out, has intrinsic value, has often a transcendent quality to it; unmistakable, typically transcends time, culture, language. Studied

by many, of different cultures, religions, different times, carrying transcendent truth that demands your time, your attention, and your honoring it, both by noticing it and noting it, even more so by giving it a place in both Your heart and your life to change You to change into something and

someone greater than before in the process of truly honoring it; true places people things deserving honor are more rare than you think; but when you truly come across that which makes demand on honoring it, you will know without even thinking what you should do, You already will know honor it.

The Unknown

If you put a dot on a board representing all the known knowledge, circumscribe it with a circle encapsulating the full knowledge of all that You know, and everything outside that circle of known knowledge, the rest outside the

circle would represent unknown knowledge. Most people would rightly discern that the vastly smaller circle would encompass and define their or even humanity's known knowledge while the vastly larger area outside would represent unknown

knowledge, or The Unknown. Honor the unknown, form a proper relationship with it; be curious, be wise, learn like a child, ask anything, examine everything, enjoy the process, have fun, make it an adventure, go with GOD as you honor the Unknown.

For HIS Glory

Did you know...

...that Knowing what is unknown to You is the first step of Knowing it? It is a process. Honor it with your time, Honor it with Your curiosity Honoring it by pursuing it, engaging it, and directly and in every way pursue the relationship to knowing The Unknown, as Moses did with his engagement with the burning bush, turning

back to engage the source of a phenomena unknown to him, and the adventure of discovery and ultimately engagement with GOD resulted. Always be curious. Ask questions. And once you think you know the answer, understand there is always more unknown to be known. Continue to Honor it.

Revelation 22:12

“And, behold, I am coming quickly; and MY reward is with ME, to give every man according to what he has done.”

Your Hebrew Lesson

The Hebrew Word for Peace is: SHALOM. It is spelled with Four Hebrew Letters: Shin-Lamed-Waw/Vav-Mem. Each Letter has up to seven meanings! Now lets look at one of the permutations. One intrinsic meaning is: To Destroy The Authoritative Teaching that man has established

that has resulted in ultimate chaos. Wow. All of that?! Yes, and Much more. What is clearly hidden and unknown can through process seeking and purity and righteousness, be revealed, as You Honor the unknown, that which is concealed to be revealed. That which is

hidden, to be found, that which is in darkness, into The Light of The Day. Also The Pattern of destroying that which has strangled mankind in sin and sickness and pain and death, sorrowful days and crying nights, needs to be abolished and destroyed from root to fruit by and for PEACE.

What do you say when

You talk to people who are not curious, not learners, ambivalent, uninterested in growing, changing, becoming something more, someone who is admired, sought after, and affects the world for good, for GOD? Just continue to: “SHINE YOUR LIGHT” in such a Way that men may see Your good works, and honor

GOD because of it. Walk Your Talk. More people will be more deeply impacted by the reality of your life than mere words spoken from your mouth. To be truly impactful, Your Words should flow out of the unimpeachable reality of Your Life carrying depth, truth, a Shining Light for all to see, do not be ashamed,

do not be afraid, do not hold back, be who you were meant to be, become who you truly are, live your future now, do great things, do everything purposefully, with grace and joy, and a spirit of excellence, be unimpeachable in conduct, words seasoned with salt, gracious to all, because GOD So Desires it; Live with purpose, go with GOD.
