Town Clerk's Office
Special Selectboard Meeting
8:00 A.M.
June 12, 2026

Selectboard Members present: Mark Daigle (Chair) Jerry Booth, Joe Allard
Visitors: Dave Kaufman - No one on Zoom
Zoning Administrator-Mike Harris

Minutes Clerk: Linda Hackett-Corey
Mark opens meeting at 8:00 AM. No addition or changes to the agenda.
Meeting is being recorded.

Mike gave the board cost estimates from three companies for the sand/salt shed project. The project was going to be funded with a \$300,000 grant from the state. It ended up being that there were a lot of stipulations with engineers needing to be bonded. In the end it could cost close to \$900,000.

Opting out of the grant and going with a local engineers has made the bottom line a more reasonable option. The salt shed size will be 72 x 130'

The estimates are as follows:

Greg Lussier Barn Builder LLC		\$175,233
Simpson Dirt work		67,800
Foundation Blocks SD Ireland		25,800
Trucking Blocks (3000 psi)		15,700
Total		\$284,583
Iron Horse	72 x 130	\$282,925
Foundation		154,450
Total		\$437,375
Clear Span	65 x 130	\$204,662
Total		\$314,012

After some discussion, Mark asked for a motion to accept the bid from Greg Lussier and Jake Simpson for \$284,583. Salt shed will be 72x130.

Jerry motioned/Joe seconded. All in favor. Bid accepted and approved.

Mike will let Nydia from the state know that we will not be using the grant.

Mike will submit a construction permit for the sand/ salt shed.

Town Garage Update

The cement pad has been poured for the generator. Mike asked Dave if he could move it from inside the garage next week with the loader.

Morton is working on the design of the cold storage garage doors. The design is different from the main doors.

Harris Heating and Plumbing are finishing up.

Office is close to being done.

There were no Public Comments.

No other business, Mark asked for a motion to adjourn, Joe motioned, Jerry seconded, Meeting adjourned 8:45 A.M.

Respectfully submitted,

Linda Hackett-Corey
Minutes Clerk for Selectboard
