

**TOWN OF BURKE
NOTICE OF ADOPTION
OF WEST BURKE VILLAGE SEWER ORDINANCE**

On June 1, 2026 the Burke Selectboard voted to adopt the West Burke Village Municipal Wastewater Ordinance.

The Ordinance establishes a governing board; and rules governing i) the system, ii) procedures for property owners to apply to connect their buildings to the Village Sewer System, iii) the types of waste that can be discharged to the System; v) monitoring of the system; and vi) how to address violations of the rules.

The full text of the Village Sewer Ordinance may be viewed at the Burke Town offices during regular business hours.

The public has a right to petition for a vote on the Village Sewer Ordinance under 24 V.S. A section 1973.

Respectfully submitted,

The Town of Burke Selectboard
