KARANGAHAPEROAD.COM

The street is the star this Matariki.

Te Karanga a Hape calls you to Tāmaki Makaurau’s iconic Karangahape Road to celebrate the Māori New Year with a progressive street-long party.

With support from Auckland Unlimited, the Karangahape Road Business Association and a team of local event planners have been collaborating with Karangahape Road’s unique and wonderful businesses to create the diverse schedule of live music, art, performance, fashion, food and markets found in this guide.

This year’s event theme is Kāhui Wāhine or Sisterhood, celebrating the mana of wāhine and honouring Matariki and the stars in the cluster as they begin their annual journey across the heavens.

Please respect the Covid rules in place at venues and premises on Karangahape Road. The Karangahape Road Business Association encourages the use of face masks at Te Karanga a Hape.
