## GOOD RETAIL PRACTICES

Good Retail Practices are preventative measures to control the introduction of pathogens, chemicals, and physical objects into foods.  
Mark designated compliance status (IN, OUT, N/O, N/A) for each numbered item: **IN** = in compliance **OUT** = not in compliance **N/O** = not observed **N/A** = not applicable

| Safe Food and Water              |                                                                                                                               |                                                                         | Utensils, Equipment and Vending |                                                                                                                               |                                                                                       |
