

**APPLICATION FOR SEWAGE / WATER SYSTEM EVALUATION**

I hereby request the following inspection, tests, and records check to be conducted by the Auglaize County Health Department.

Sewage:

\_\_\_\_\_ Private sewage system evaluation/report \$75.00

Water testing options:

\_\_\_\_\_ Private water system evaluation with standard Coliform bacterial test (Results average 5-7 days) \$40.00

\_\_\_\_\_ Water test package: Lead, Coliform, Nitrates, Nitrites, and combination. (Results average 10-14 days) \$111.00

**The home must be serviced by electricity in order to pull the water sample. Please make sure the electric has not been shut off.**

**The septic tank needs to have a lid(s) accessible so that the tank can be inspected. Do not schedule the inspection until lids are uncovered or accessible.**
