PARISH DEATH RECORD - ACTE DE DÉCÈS

Sacred Heart Parish - Paroisse du Sacré Coeur

Gabriel Henri MARCEL MOLLOT

The following is a copy of the Death Records from the Sacred Heart Church of Fannystelle, Manitoba of **Marcel Mollot**, who died on December 4th, 1934 at 54 years of age of a heart condition. Marcel was the husband of Eugenie Mollot née Piché. Their children were Alice, Archie, John, Gabriel (Barney) and Louis (Chick). His remains are buried in the local Sacred Heart church cemetery. According to a well-known source, Marcel's assets at the time of his death were around $70,000 dollars besides the real estate that he owned. As you may know, that was quite substantial in the 1930's. Marcel was a real entrepreneur. He first started as a butcher owning the first butcher shop in Fannystelle. He was later a shareholder in a huge hog operation next to Shilo, Manitoba during World War One that would feed 20,000 allied soldiers who were there to learn trench warfare. He later progressed to a general store in Fannystelle which later was destroyed by fire in 1924. Marcel then had a strip mall built on the Main Street of Fannystelle which housed a general store, a garage, a restaurant and a pool hall which he then called the Mollot Trading Company. He also dabbled with livestock. Besides operating a store/butcher shop called "Le Bon Marché" in St. Boniface which he called (in which his brother Ernest was his general manager) at the corner of Provencher and Taché, he also advertised himself as "the only French-Canadian life stock broker" at the St. Boniface Stock Yards.
