

ACC REQUEST CHECKLIST

Below is an ACC request checklist of items required for your convenience. Please use this as a reference on items needed to submit a completed request. If all information is not submitted your request cannot be considered for approval and may be denied until all the proper information listed below is provided to the board to consider your request.

Please refer to your community CC&Rs to view what structures are permitted. Please submit a separate ACC request per item for the board's consideration.
