

Architectural Control Committee Request Form

Owner name: _____

Address: _____

Association: _____

Phone: _____ E-mail: _____

Please submit 1 ACC request per item for review

* Description of Project:

Project Start: _____ Project Finish: _____

* Please include a copy of your plat map to show where additions will be in relation to the house. Include all measurements including distance from house and property lines. All materials proposed for your project must include specific details such as exact paint colors, material types and roofing type and color. Vague descriptions such as "will match the house" will not be accepted.

Incomplete ACC request will be returned to you for corrections and will not be presented to the board until all the proper documentation required is received.

For office use only
