.....

The associate member agreement officially ends each year on 31 December. If you wish to renew your annual membership it is up to you to request to do so by email to bustardthorpeallotments@gmail.com.

By signing this section of the Agreement I confirm agreement to the terms and conditions of the Associate Member Agreement and will abide by the Constitutional Objects.

I give permission to keep my details on the BAACIO Database.

I understand that if I wish to garden at Bustardthorpe Allotment Site on a regular ongoing basis that I have to apply for a place on the waiting list by emailing bustardthorpelettings@gmail.com.

I understand that I don't have automatic right to garden on any allotment on the site and that I cannot do so until I have been granted permission by the Charity Trustees.

Please ask the plothead to email bustardthorpeallotments@gmail.com giving the number of the plot that they wish you to help garden, the reasons why they need this help and for how long. Only after the Charity Trustees have given permission to the plothead will you be able to garden on that specific plot.
