### **Please note that your application cannot be considered without all this information.**

In the event of an emergency (particularly if bird welfare is involved) and I am un-contactable, I hereby give permission for the Trustees to take whatever action is deemed necessary at the time for the wellbeing of the bird(s), and that I will be responsible for all reasonable costs in so doing, should any be incurred.

I accept and agree to abide by the Bustardthorpe Allotment Association Poultry Welfare Rules & Guidelines and understand that non-compliance with any or all parts of the said rules will result in permission being withdrawn for me to keep poultry on the site, should I not take corrective action within seven days of being advised to do so.
