

## **Structure Permission Form**

If you would like to erect a shed or any structure on your plot then permission must be obtained from Bustardthorpe Allotment Committee before any work proceeds. Typical requests would be for the following - sheds / greenhouses / polytunnels / arbours / playhouses / hen houses / pigeon lofts. You will also need to complete this form if you would like to keep bees.

Date of application to build structure

---

Name of plotholder

---

Address of plotholder

---

Telephone number of plotholder

---

Email address of plotholder

---

Plot number

---

Type of structure requested

---

Purpose of structure

---

---

Dimensions of structure

height: \_\_\_\_\_

depth: \_\_\_\_\_

width: \_\_\_\_\_

Materials to be used

*(Please list the main materials to be used, including all re-claimed materials.*

---

---

---

Please show on the grid\* where the structure will be, the boundaries of your plot, the main path and where your neighbour's sheds/structures are.

Please note that all requests to build a structure on your plot will be examined by at least two Trustees. In some instances (if, for example, a structure combines two uses) the dimension limits may be exceeded. Every request will be judged on its merits. You will be informed of the decision of the Trustees within two weeks of your application. If you need advice with your application please speak to any Trustee.
