## **Who We Are**

---

The Illinois Association of Medicaid Health Plans (IAMHP) is a trade organization that represent the entire Medicaid Managed Care Industry in Illinois. This includes Aetna Better Health of Illinois, BlueCross BlueShield of Illinois, CountyCare Health Plan, Humana, Meridian Health Plan/YouthCare, and Molina Healthcare of Illinois.

In 2013, IAMHP was established as a means of working with other Medicaid stakeholders, including state officials, legislators, providers, advocates and consumers as the state continued to expand Medicaid managed care statewide. Since then, IAMHP and our partners have tackled major initiatives, overcome communications barriers and shared lessons learned.

## **Program Overview**

---

As we move into the next phase of Medicaid managed care in Illinois with the implementation of the new FIDE SNP and renewal of the HealthChoice Illinois contract, IAMHP would like to establish even greater relationships with our fellow trade associations and advocacy organizations. IAMHP's Medicaid Stakeholder Alliance Membership will provides a space for health plans, providers, and advocacy organizations to work together on a common goal of protecting the program and improving the quality of life for the individuals and families we serve.

### *Extended Reach/Website Inclusion*

Your logo will be displayed on the IAMHP website with a direct link to your organization's page, plus you will be able to promote your upcoming events on IAMHP's website calendar.

### *Newsletter Highlight*

IAMHP has a quarterly newsletter that is shared with over 4,500 industry contacts. Our newsletters highlight topic areas important to the Medicaid space and include contributions from our member Medicaid Managed Care Organizations (MCOs).

When a new Alliance Member is onboarded, we highlight them in the newsletter for that quarter. Members are also invited to contribute meaningful articles, content, or upcoming events for promotion in the newsletter to not only keep others informed on important and relevant information, but also allow a unique opportunity for exposure, awareness, and partnership with important industry leaders.

## *Quarterly Convenings*

IAMHP will host four meetings with Medicaid Stakeholder Alliance Members annually. Members will receive timely program and policy updates about Medicaid and managed care on a state and federal level, the opportunity to share their work and ideas with fellow Alliance members, and the ability to collaborate around common challenges and goals.

- Q1: Virtual Introductions and Updates
- Q2: In Person Meeting and IAMHP Legislative Reception, Springfield
- Q3: In Person Meeting and IAMHP Annual Conference, Oakbrook
- Q4: In Person Meeting and IAMHP End of Year Reception, Chicago

## *Weekly Webinar Opportunities*

IAMHP hosts a weekly webinar series in which Alliance Members are invited to promote their company and share industry-related content with a 45-60 minute presentation on a topic of their choice to Illinois Medicaid MCO staff. These opportunities are reserved on a first-come, first-served basis.
