

Awareness Insight Summary

Beyond my existing awareness content I have developed a series of insight and analysis articles related to Neurodiversity awareness matters

General Awareness insight

An expansion to the awareness content online with a series of insight articles. It is mainly developed for supporting different awareness events throughout the calendar year. The insight article on WordPress is linked to my awareness website "Plus Value Awareness" with additional articles on "Tumblr"

*** Themed articles**

The following theme is customised to specific difficulties or diverse members of neurodiversity & beyond.

Time to choose

Embrace talent

Embrace not shaming

Be Smart

Please visit the combined content webpage to view the customize articles linked with each theme

<https://plusvalue.dudaone.com/events--combined-content>

Select the links below to view each article
