

WHEN calls the Heart!

The Musical

MUST SEE!

Based on the beloved series by Janette Oke, **"When Calls the Heart-The Musical: A World Premier"** follows Elizabeth Thatcher as she makes her way from her wealthy, childhood home, across the rugged Canadian west to teach in a small, one-room schoolhouse. Elizabeth's heart for teaching is challenged by various trials from her pupils, her rugged surroundings, and by a handsome Canadian Mountie. But her heart will only expand and grow to find that her calling is as vast as the beautiful Canadian frontier. Created for stage by Bethany Crawford with music & lyrics by Christy Stutzman, this world premiere of **"When Calls The Heart-The Musical"** can only be seen at The Round Barn Theatre and is certain to become a favorite in 'your' heart for years to come!
