You can select urns and keepsakes to honor your loved one as well as order death certificates. Our digital option includes all of the same professional services of our directors and staff that our direct cremation option offers. Our staff will be available to assist you with scheduling with cemeteries, writing obituaries, and requesting military honors and benefits.

Please note the digital arrangement system charges a processing fee for online payments. Cash or Check payments in person can still be made to forgo the processing fee.

*Shipping of cremated remains is not included in direct cremation pricing and may only be done by USPS Priority Express Mail. The cost for shipping and handling cremated remains within the lower 48 states is $150.

Anatomical Donation Assistance Transfer of remains within 25 miles, filing of death certificate, and refrigeration for up to 24 hours. **$1190**

If the deceased is not accepted by the state anatomical program and we provide cremation services, these charges are applied towards the cremation cost not in addition to them.

Stillborn, Infants, and Children

The funeral home management at their discretion may offer discounts to families experiencing the loss of a child. For cremation services of children all state required permit fees still apply.

URNS AND KEEPSAKE JEWELRY

The funeral home reserves the right to refuse to fill keepsake urns and keepsake jewelry purchased from outside retailers due to liability of damage and or replacement.

CEMETERY COSTS

Charges for opening and closing the grave vary depending upon the cemetery. Some cemeteries do not include the cost of the tent, chairs and special equipment in their fee, so these items must be rented. If not already reserved, it will be necessary to purchase the grave space at the time of the funeral (unless burial will be in a National Cemetery or state veterans cemetery).

OTHER

Other items of cost may include copies of the death certificate, obituary notices and sometimes honoraria for the clergy and others. Additionally, there might be expenditures for burial clothing, monuments and out of town transportation, etc.
These are known as cash advances because you reimburse us what we pay the provider.

The City of Hampton requires a $100.00 fee to provide a police escort, which is required for all funeral processions. The City of Newport News charges $204 for the funeral escort. You reimburse us for this.

Holding, Care, and Supplies for burial of casketed remains in Arlington National Cemetery or other cemeteries, delayed more than 30 days will require a $1000 charge.

Costs of out of town interments may vary depending on transportation costs and type of service.

If Death Certificate information is provided incorrectly and amendments are needed to correct it, the family is responsible for court costs, reasonable attorney fees, and transportation costs as well as the $15 per copy charge for replacement death certificates paid to the state of Virginia.

PLEASE NOTICE

Viewing of the un-embalmed deceased for positive identification is by immediate family member or designee only.

Refrigeration required for all un-embalmed deceased.

The crematory may have additional charges for deceased that exceed 250 pounds.
