OUTER BURIAL CONTAINER PRICE LIST

These prices are effective as of January 21, 2025 but are subject to change without notice.

OUT OF TOWN VAULT PRICES MAY VARY

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

All burial vaults are made of concrete. They all are secured at the top with a tongue and groove joint fastener.
