

# Columbus Cube Challenge

|                 |  |
|-----------------|--|
| Description     | A team challenge using paper cubes, to spark competition and team spirit.  |
| What happens    | Colleagues are shown how to make a six-sided Columbus cube and then they race to build the tallest stack.                            |
| Why it works    | Accuracy is essential when forming each cube, followed by increasing concentration, precision and speed to assemble the final stack. |
| What's included | All materials.   |
| Logistics       | Ideally one table per team.  |
| Group sizing    | Any size up to 100.  |
| Price           | £35.00 per person + travel.  |
