Old Business

Bill No. 26-001, An Ordinance of the City Foristell Annexing 32.22 acres located west of the current Foristell Limits. (Longhorn Property Management, LLC).

Alderman Palmer reframed the actions being requested of the Board and made clear that the actions taken are for annexing land only and that should the petitioner want to develop the site they would have to rezone the property which would require public hearings and thorough review of their proposed plans. Alderman Palmer also noted some of the permitted and conditional uses allowed in the City Agricultural (AG) District. Before closing the discussion, Alderman Palmer invited the other Alderman to ask questions, present information or make comments. Hearing none, Alderman Palmer asked for the 1st of the three bills to be read and acted upon.

Alderman Palmer requested a motion amend each of the three (3) bills to include the updated public hearing dates and that each will be rezoned to the City's "AG" Agricultural District.
