- a) Consideration of a motion to declare vacancy in the office of Mayor

Motion by Alderman Keeven, seconded by Alderman Adkins to declare vacancy in the office of the Mayor.

Alderman Palmer sought clarification on whether the mayoral position should be declared vacant or forfeited. CA Streiler indicated that the language used on the agenda, as directed by the City Attorney, states the position was vacated. Alderman Palmer stated that from her research, if the position were vacated, Mr. Miller could be re-appointed to fill out the remainder of the term. If it were forfeited, he could not. After not receiving an answer or clarification from the City Attorney, Alderman Palmer sought to determine if this was an issue she needed to be concerned about. Alderman Bradley indicated it was not.

Motion Passed
