WINE MUSINGS...

(The why behind our what)

Welcome to a list of some of our favorite things! Bubbles are a fit for every occasion- great and small, serious and frivolous. Rosé is all day. We have wines of historical importance and wines with quaffability. They are fun and sometimes serious.

Like our dining menu; we celebrate the farmers, artisans, and purveyors who pay respect to the land. The wines we pick are not only delicious but practice sustainability. We choose our list with at least sustainable/organic practices—with a heavy lean into lower intervention wines: practices that are so old school that they are new again.
