To assist the voters, the JPR Commission follows an elaborate set of procedures and ultimately decides whether each judge up for retention “meets” or “does not meet” the standards for retention. Here is a list of the judges and justices up for retention in the November 2024 election that the Commission has determined “meets” these standards.

Arizonans for an Independent Judiciary supports retention of these judges and justices.

Arizona Supreme Court

Hon. Clint Bolick
