CHESTER
CAREER COLLEGE

October 29, 2026

Dear Students,

Chester Career College [the "College"] is currently owned by Margarett Knight and Debbie Harris. We would like to inform you of an upcoming change in ownership which will result in Debbie Harris acquiring full ownership of the College.

The transaction, in which Margarett Knight will transfer full ownership control of the College to Debbie Harris, is scheduled to close on or after February 4, 2027. This timeline is, of course, contingent upon completing the necessary approval processes with the College's regulatory agencies, including the Council on Occupational Education and the United States Department of Education.

For almost 30 years the College has provided training and education to numerous students interested in pursuing medical occupations. Our graduates have gone on to gain employment in many of the hospitals and medical facilities in the tri-cities area. As we look forward to the future, we are excited and optimistic about continuing this legacy as well as the new opportunities and advancements that we will continue to seek out for this College.

We will keep you updated as this process progresses.

Best regards,

Debbie R. Harris
