Protection of Children:

Diocesan policies and procedures currently in place seek to protect, enhance and, in some cases, restore the trust that our faith calls for between agents of the church and the children and adolescents entrusted to our care. In accordance with the Charter for the Protection of Children and Young People passed by the U.S. bishops in Dallas, the Diocese of Jackson wishes to encourage any victim of sexual abuse by a member of the Catholic Clergy to come forward and begin the healing process. When an allegation is found to be credible, counseling will be offered, so that the healing process can begin in accord with our present diocesan policy. We encourage any victim to contact Jenifer Jenkins, Coordinator of Victim Assistance & Office of Protection of Children and Safe Environments at 601-960-8471. To report an allegation of abuse or mishandling of allegations of sexual abuse by a bishop, please call 1-800-276-1562 or visit reportbishopabuse.org.

Grief's Healing Choices is a gathering of people who have experienced a major loss through the death of a loved one. We meet to share our experiences; emotions and our coping mechanisms in a safe and supportive environment. We are not a teaching class; we are a support group with a structured program aimed at getting us to feel and acknowledge our losses and move forward into productive lives. We are all in different places with our grief and that is how we help each other to heal. No one is expected to share anything they are not ready for.

We will have a meeting of Grief's Healing Choices Monday, May 18, 2026, at 1 pm at St. Joseph Catholic Church. Please join us if you need a place to share your grief and begin healing.

"Two are better than one, because they have a good return for their labor: if either of them falls down, one can help the other up. Ecclesiastes 4:9-12
