

Join Our FAMILY GIVING CAMPAIGN

Together, We Make it Happen

At Leelanau Montessori, **every child is nurtured as a whole person**: social, emotional, intellectual, and physical. Our commitment to **individualized, hands-on learning that fosters critical thinking and collaboration is made possible by YOU**, our Montessori families.

This year, we invite you to join our Family Giving Campaign and help sustain Montessori Education in Leelanau County.

Why Give?

- As a charter school offering tuition-free K–6 programs, **we receive significantly less per child** in state funding. We **depend on supporters like you to help bridge that gap and sustain our commitment to high-quality Montessori education.**
- With your support, we can provide a **science-based, individualized education in Leelanau County** - one that secures jobs, supports families, and embraces a holistic approach to child development.

How You Can Help

- **Give Monthly:** Become a **Champion for Children** with a recurring gift.
- **Give Once:** Make a one-time donation in any amount that feels meaningful to you.
- **Share the Campaign:** Help us reach extended family, friends, and community members.

Our Goal

We strive for 100% family participation - all gifts make a big impact!
