

# Sunflower Presentation Evening

## Friday 12 September

During our final junior training session of the season on Friday 12 September, we will be making our annual rent payment.

This tradition dates back to 1959, when it was agreed that so long as cricket was played at Alder Meadow, the club could lease the ground for an annual rental payment of three sunflowers. Due between 1<sup>st</sup> and 14<sup>th</sup> September, sunflowers were traditionally grown by our members and delivered to Hartsheath Hall.

We would be grateful if all members who have grown sunflowers present them at the club on or before the training session. Our club President will be in attendance to judge the tallest sunflower, and select the 3 sunflowers to be taken as payment.

As promised, the 4 specimens selected will be awarded prizes, so please label your containers with your name to be in with a chance of winning. As the celebration coincides with our final Junior training session of the year, we look forward to introducing our newer members and supporters to this club tradition.

We will also welcome our sponsors to the club on the evening, to thank them for their valued support this season.

The BBQ and bar will be open, as ever, so please come along to help us celebrate.

*We look forward to seeing you there...*
