LAS VEGAS & STUTTGART, 22. APRIL 2026. Zoi, a leading AI and cloud enabler, was honored with the Google Cloud Partner of the Year Award 2026 at Google Next for the second year in a row. By winning again in the "Google Workspace – EMEA" category, Zoi confirms its pioneering role in AI and cloud transformation within the enterprise sector. The company actively drives global AI adoption by deeply anchoring Gemini solutions into its customers' processes, bridging the gap between Google technology and productive application.

"The Google Cloud Partner Awards honor the strategic innovation and measurable value our partners bring to customers," said **Kevin Ichhpurani, President, Global Partner Ecosystem and Channels, Google Cloud**. "We are proud to name Zoi a 2026 Google Cloud Partner Award winner, celebrating their role in driving customer success over the last year."

In Las Vegas, the team led by Zoi **CEO Benjamin Hermann** accepted the award in person: "Being honored as Google Partner of the Year 2026 proves our leading technological position. Our 'Everyday AI for Everyone' concept serves as the ideal foundation for the transition to the **Agentic Enterprise**. We empower companies to integrate AI as an action accelerator into all workflows. The massive growth of our locations and teams demonstrates our strength in leading innovations to success worldwide."

Over the past 24 months, Zoi has redefined the digital reality of global market leaders such as **Kärcher, OBI, DocMorris, and Delivery Hero**, elevating over 100,000 users to a completely new level of productivity. Companies are using the foundation of 'Everyday AI' as a direct springboard into the era of Agentic AI, establishing it as an active force within their global enterprise structures. With a decade of expertise as a cloud powerhouse, Zoi transforms technological complexity into proactive workflows, ensuring the competitiveness of its customers.
