

Progress Report

Project Name: Dual Campus Study (St. Patrick Parish with St. Malachi Oratory)

Project #: 26225

Date: June 16, 2026

Invoice #: 26225-12262

Reporting Period: May 05, 2026 through July 31, 2026

Activities Undertaken During the Current Reporting Period:

This invoice covers the following consultant activities:

- Initial project kick-off meeting held with Fr Gurnick, Maureen, and Mike on June 8, 2026.
- Meeting with Buildings & Grounds Commission on June 16, 2026
- Project Steering Committee Kick-Off held on June 30, 2026 to create a vision and goals for the project.
- Review of relevant documents
- Digitization of relevant drawings of St. Patrick and St. Malachi buildings.
- Preparation of existing conditions floor plans for buildings on both St. Patrick and St. Malachi campuses.
- Urban Partners, our market analysis consultant, started their market assessment research, anticipated to be completed by end of August.

Activities Anticipated During the Next Reporting Period:

- Conditions Assessment Walkthrough by LGA Team with Osborn Engineering scheduled for August 4, 2026
- Preparation of conditions assessment deliverable as a result of the walkthrough.
- Preparation of draft market feasibility report.
- User Group meetings to inform the Space Usage Analysis.
- Planning and coordination for 'town hall' information gathering session for late August/early September.
