Celebrating creativity at St. Gerard's School

This week artist James Brunt transformed our beautiful Forest School classroom into a stunning piece of land art— a creation shaped by nature, imagination, and the joyful collaboration of our pupils. This piece represents something we see every day at St. Gerard's: when we work together, great things can be achieved. Our rich, diverse, and wonderfully unique school community is truly something to treasure. Please visit our school Facebook page to see the finished product.
