COCKTAILS & SPIRITS

COCKTAILS

The cocktail, any one of a number of alcoholic beverages mixed with ice, carbonated water and fruit syrup, had been imagined up in the nineteenth century by curious drinkers excited by the possibilities of artificial carbonation and early refrigeration. Cocktails had been popular in America in the early 20th century, and then went underground with prohibition. Because of prohibition, which ran from 1919 to 1933, alcohol in America was either bootlegged or made at home, which meant it was rather rough on the drinker. As such, it was perfect for cocktails!

WINE

Wine Paddle

Our Wine Paddles showcase a selection of styles from different regions for each grape. Available from all glass poured wines, including those via Coravin. Build your own platter of wines by choosing either 3 or 6 wines, each pour is 75mls.

Please ask waitstaff for further information.

Coravin

To compliment our range of wines offered by the glass, we also offer, via the Coravin system, further pours available by the glass that allow more interesting and rare interpretations of the wine. This revolutionary device allows us to pour and enjoy fine wine without disturbing the natural ageing process or committing to the whole bottle.
