

Pastoral Care E-Minutes of March 2026

Updates to Ministries sent in via E-mail

Whole Person Ministry: The presentation on Dementia and resources for helping was very well received, with 85 attendees.

Lay Eucharistic Visitors: There aren't many parishioners receiving Communion at home. It would be beneficial to come up with a system to make people aware they can receive at home on a short-term basis.

Gruber's Friday Men's Group: Still meeting with no issues.

COHI/Bereavement: No updates for COHI.

Prayer Shawl Ministry: New shawls continue to be brought in. There are many fast, abled knitters donating the shawls.

Medical Equipment Library: We have been keeping busy with filling requests.

Daughters of the King: Every Thursday Stations of the Cross are dramatized, based on the book "Mary's Way of the Cross" by Richard Furey. The 15 depictions of the Stations have been installed in the Chapel. We are offering a very moving addition of our Lenten discipline.

Stephen Ministry: We are in hiatus right

New Business: Try to find a way to make our parishioners aware of all that is available to them.

Next Meeting: April 14th. It has not been discussed if it will be in person or via E-mail.

Respectfully Submitted,

Betty Rapp

Communicator
