

## March 11, 2025, Minutes

Deacon Pam opened the meeting with a prayer. The minutes from the February meeting were approved.

**Whole Person Ministry:** Per Michele Gore, the Care Line is active but not receiving any calls. They are having advertising made up possibly as refrigerator magnets. We were encouraged to remind others of the line and what's being offered. There's Helping Hands, which could provide things like grocery shopping, meals, or comfort. The Care Navigators offer advice regarding medical issues, and those members all have medical backgrounds. Michele will give a Ministry Minute at the 8:00 service on March 23, and Pam will give the same at the 10:00 service. The number for the Care Line is 910-477-6262

**Lay Eucharistic Visitors:** There will be a class coming up for those interested in being either a Minister or a Visitor.

**Friday Men's Group:** Bill Meiners is still leading the group while David recovers from eye surgery.

**COHI/Bereavement:** COHI currently has 7 members with 2 active care givers. The current Walking in Grief group, with 8 participants, is becoming more open within the group.

**Prayer Shawl Ministry:** The group continues for work on their shawls. The rack is full of blest shawls with more coming.

**Women's Group:** They are reading "Holy Envy", with Diane Sloan leading the group, which is going well. There is still some interest in a second group with Rose Dahill as a possible co-leader.

**Medical Equipment Library:** Per Michele B. the equipment is in good demand and she is looking for more help.

**Daughters of the King:** There has been several articles in our various announcements. They are reading "12 Daring Women of the Bible". The women will still be participating the Coffee hours as scheduled but they will be offering a lighter fare.

**Stephen Ministry:** Susan has 1 person she is ministering to.

**New Business:** Deacon Pam updated our portion of the website. She still had not had a response regarding a deputy chair for the Pastoral Care Board.

Next meeting will be held on **April 8, 2025 @ 2:00PM** in the Chapel Annex.

Respectfully Submitted,

*Betty Rupp*
