SUPPORTING OUR SCHOOL

FUNDRAISER & ENROLLMENT OPPORTUNITIES

Now that it is almost August, it is time to start thinking about next school year. Sacred Heart Catholic School's apple tree is in the foyer. If you would like to help with the needed items, please select an apple from the tree and donate the amount requested on the apple. Because of your generosity over the last two years, we have been able to provide new laptops for our teachers, install a new gym floor and basketball goals, expand our robotics program, and supply many of the instructional materials our teachers need to maintain a rigorous academic program at our school.

Another way you can help us prepare for the 2026 - 2027 school year is by participating in the second collection this weekend. All funds raised from the apple tree and the second collection go directly to our academic programs, directly impacting our students.

Parents and grandparents of school-aged students, we have a few openings at our school. We would love to talk to you about enrolling your child or grandchild at our parish's Catholic school. During July, the office is open on Tuesdays and Wednesdays from 9 a.m. to 2 p.m., and is closed the week of July 20. Enrollment is always available on our school's website, and our principal is always available by email. Please see the front of the bulletin for contact information. Save the date for the weekend of August 9 for our annual school open house after all Masses.

Thank you for supporting our Catholic school.
